About.php

The screenshot shows a web browser window displaying a portfolio page for Aleksandar Naumovic. The page is divided into several sections, each with a yellow header and a dark blue sidebar containing icons and text. The browser's address bar shows the URL: localhost/Projektat%20picks%20jedna/web-php1-ict/about.php. The browser's taskbar at the bottom shows various open applications, including a search bar, file explorer, and several web browsers.

ALEKSANDAR NAUMOVIC

Front End Developer

Student of final year at academy "Visoka ICT Skola". I am into programming and gaming. I like sports and music also. I want to become the CEO of company that tests and code games.

Contact.php

The screenshot shows a web browser window with a yellow background. In the center, there is a white rectangular box containing a contact form. The form has a title "CONTACT" in orange. Below the title, there is a label "Message" and a text input field with the placeholder text "Message". Below the input field, there is a yellow button labeled "Send". The browser's address bar shows the URL "localhost/Projekt%20picks%20jedna/web-php1-ict/contact.php". The Windows taskbar is visible at the bottom.

Login.php

The screenshot shows a web browser window with a yellow background. There are two white rectangular boxes side-by-side. The left box is titled "REGISTRATION FORM" in orange and contains fields for "First Name", "Last Name", "Email", "Address", "Password", and "Confirm Password", each with a corresponding input field. Below these fields is a yellow button labeled "Register". The right box is titled "LOGIN" in orange and contains fields for "Email" and "Password", each with a corresponding input field. Below these fields is a yellow button labeled "Login". The browser's address bar shows the URL "localhost/Projekt%20picks%20jedna/web-php1-ict/login.php". The Windows taskbar is visible at the bottom.

Admin.php

The screenshot displays the Admin.php interface, which is a web application for managing products and actions. The page is divided into three main sections: 'Proizvod' (Product), 'Akcija' (Action), and 'Proizvod na akciji' (Product on action). Each section contains a form with various input fields and buttons for managing data.

Proizvod Section:

- Izaberi proizvod:** A dropdown menu for selecting a product.
- Naziv:** A text input field for the product name.
- Kategorija:** A dropdown menu for selecting a category.
- Cena:** A text input field for the product price.
- Proizvodjac:** A text input field for the manufacturer.
- kvantitet:** A text input field for the quantity.
- Slika:** A dropdown menu for selecting an image.
- Buttons:** INSERT, UPDATE, and DELETE buttons.

Akcija Section:

- Izaberi akciju:** A dropdown menu for selecting an action.
- Naziv akcije:** A text input field for the action name.
- Opis:** A text input field for the action description.
- Popust:** A text input field for the discount.
- Pocetak akcije:** A date input field for the start date (03/02/2020).
- Kraj akcije:** A date input field for the end date (03/02/2020).
- Buttons:** INSERT, UPDATE, and DELETE buttons.

Proizvod na akciji Section:

- Izaberi proizvod:** A dropdown menu for selecting a product.
- Izaberi akciju:** A dropdown menu for selecting an action.
- Buttons:** INSERT button.

Slika za proizvod Section:

- Naziv:** A text input field for the image name.
- Choose File:** A button to upload a file.
- No file chosen:** A text label indicating no file is selected.
- Buttons:** INSERT button.

The footer of the page contains three columns of links:

- Company:** About, Contact.
- Help & Support:** Support Center, FAQ, Self Center.
- Store:** Gaming Mice, Keyboards, Mouse.
