# About.php

The screenshot shows a web browser window displaying a portfolio page for Aleksandar Naumovic. The page is divided into several sections, each with a yellow header and a dark blue sidebar containing icons and text. The browser's address bar shows the URL: localhost/Projektat%20picks%20jedna/web-php1-ict/about.php. The browser's taskbar at the bottom shows various open applications and the system clock.

## ALEKSANDAR NAUMOVIC

Front End Developer

Student of final year at academy "Visoka ICT Skola". I am into programming and gaming. I like sports and music also. I want to become the CEO of company that tests and code games.

## Contact.php

The screenshot shows a web browser window with the address bar displaying 'localhost/127.0.0.1/acabaza/'. The page has a solid yellow background. In the center, there is a white rectangular box containing the contact form. The form is titled 'CONTACT' in orange uppercase letters. Below the title, there is a label 'Message' and a text input field with the placeholder text 'Message'. At the bottom of the form is a yellow button labeled 'Send'.

## Login.php

The screenshot shows a web browser window with the address bar displaying 'localhost/127.0.0.1/acabaza/'. The page has a solid yellow background. There are two white rectangular boxes side-by-side. The left box is titled 'REGISTRATION FORM' in orange uppercase letters and contains five input fields: 'First Name', 'Last Name', 'Email', 'Address', and 'Password', each with a corresponding label and placeholder text. Below these fields is a yellow button labeled 'Register'. The right box is titled 'LOGIN' in orange uppercase letters and contains two input fields: 'Email' and 'Password', each with a corresponding label and placeholder text. Below these fields is a yellow button labeled 'Login'.
